Introduction

Brecon Bible School is centred around the Word of our God. All brethren and sisters, young people and children are welcome to join in promoting warm fellowship in a spiritual family setting.

Venue

Christ College is situated in the beautiful Brecon Beacons National Park, beside the River Usk and a short walk across the river bridge from the attractive county town of Brecon.

The College is easily accessible by main roads from both the M4 and M5 motorways.

We shall have full and exclusive use of the compact, self-contained site, which has comfortable accommodation and extensive facilities.

Accommodation

The residential accommodation comprises five blocks with good boarding school standard single, double and family rooms, some of which have integral wash-basin facility, and adequate numbers of bathrooms and showers which are adjoining or in close proximity.

Each house has comfortable lounges, kitchen areas and laundry facilities and most have additional showers and toilets on the ground floor.

Bed linen and all meals and drinks will be provided, but not towels.

The College has basic facilities for the disabled.

Please note that children's places are limited, so book early!

Early booking is strongly advised.

Day visitors, camping and caravanning, own accommodation

If you prefer to day-visit or arrange your own accommodation off-site during the week, (camping, caravan or B & B) you will need to pay a day charge, (which mostly comprises an amount charged by the college) and book and pay additionally for any meals required.

Please contact Sis. Claire if further information is required.

See the online booking form for more details.

Daily programme

This will include the daily readings and studies by the speakers in the morning and evening sessions.

The children and young people will have their own separate classes and programme.

The afternoons will be free for family fellowship with recreational activities and there will be optional additional studies and presentations during that time.

Supervised activities such as sport, walks and swimming in a heated indoor pool will be arranged during free time. The College has full and excellent facilities including playing fields, cricket pitch, squash and tennis courts and a large sports hall. The College has guest wi-fi available.

On Friday we shall all enjoy a family evening, including presentations by the teenagers and children. We hope to have a singing group again next year.

Other activities

The Bible School bookshop will be open at set times.

There will be an activity creche for toddlers.

Welfare

Usual doctor cover from Brecon G.P. practices.

Local hospital with Accident and Emergency unit.

First Aid on-site.

HELP NEEDED PLEASE

In order that we can all work together in helping and caring for each other and our young people, we need volunteers to assist in so many ways, **especially for the care and teaching of the children.**

Please volunteer on the online form and add any special skills or interests that you have, or any other ideas that may be helpful.

Booking procedure and options

The online booking form may be accessed via the website
<https://www.breconbibleschool.org.uk>

Help with completing the online booking form is available by request to Sis. Claire Barker email: claire.barker40@yahoo.co.uk or telephone: 07786 311045. Booking is open from 13th November.

Costs

We hope that cost will not be a barrier to anyone wishing to book on to the school. For any assistance with cost, please approach your own recording brother in the first instance. However, you are welcome to contact Bro Jonathan Sykes in confidence for information and advice before booking. Telephone: 01252 513130 or email: jrsykes@sky.com
